

## World of wonderful Christmas gifts 2011

LEATHER IPAD CASE, £750, BY VICTORIA BECKHAM

The new boss who didn't recruit you and therefore may sack you

So either you'll look like a hideous sycophant or a generous soul with flair, imagination and chutzpah. Could go either way, but it's surely worth a go.

X MARK 1 MOUSE, £35, BY CANON, AT AMAZON

MONEYPHANT, £75, BY GEORG JENSEN

ENGLISH ROSE & VIOLET CREAMS, £18, BY CHARBONNEL ET WALKER

SUPREMYA NIGHT CREAM, £455; SKINLEYA FOUNDATION £510, BOTH BY SISLEY, AT HARRODS

LEATHER ENVELOPE, £78, BY THOMAS LYTE

The accountant who halved your tax bill

Frankly these presents don't really cost you anything because he has saved you thousands. Perhaps play it a bit safe (what with him being an accountant and all) but don't be tight about this one. It would be churlish, all things considered.

### JOY TO THE WORLD: FOLLOW THE SCENT

The empirically enviable experience for the scary boss lady? Aromatherapy Associates (aromatherapyassociates.com) will hand-blend a personalised oil and deliver it in an engraved bottle. From £450.

# THE OFFICE

It's got to be done

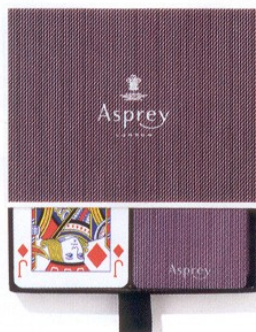

Your partner-in-crime

She makes a job more than a job. She makes you look forward to the office. Her annual leave is a bore and her maternity leave is a NIGHTMARE. You want to pop her in your handbag and take her home every night. Spoil her with sparkly, silly, fun stuff.

KARAOKE KIT, £49.95, BY LUCKY VOICE, AT SELFRIDGES

PERSONALISED PLAYING CARDS, £65, BY ASPREY

CASHMERE-LINED LEATHER GLOVES, £380, BY LORO PIANA, AT MR PORTER

GLITTER CLUTCH, FROM £350, BY ANYA HINDMARCH

CAMERA, £85, BY POLAROID, AT GIFT LIBRARY

The lawyer who always gets you out of trouble

If it weren't for him you'd be in jail for fraud/harassment/other (delete as appropriate). He's saved your business and your reputation. If you don't show him the love, then you're a fool.

COTTON SHIRT, £89, BY THOMAS PINK

### JOY TO THE WORLD: NIGHT FEVER

Make her a member of Home House (homehouse.co.uk) for its answer to Studio 54, new late-night party bar the Vaults. Maybe you should both turn up naked. On a horse.
